Dear Ms. Moran,

Thank you for the attached indices. I appreciate your time and that of your colleagues.

Mr. Ragon has been very helpful, friendly and responsive in the matter of this request. I believe he took much extra effort due to my time considerations.

Ms. Lockett-Snyder has been extremely helpful throughout the larger effort of organizing our upcoming meeting and moving Arkwood into the auspices of Reuse & Redevelopment.

I will review the indices and communicate with Mr. Ragon on the items I would like to review, unless there is someone else to whom I should submit

those specific requests.

I look forward to our meeting as well.

Sincerely,

Curt Grisham
